Fusion Solutions Earns Second Consecutive Inc. 500 Ranking as One of the Fastest Growing Companies in America

DALLAS, TX – September 4, 2008 – Fusion Solutions Inc., a leading provider of staffing solutions for telecom companies, announced today that it has made Inc. Magazine’s 2008 Inc. 500 list of the fastest growing privately held companies in America. This is the second consecutive year Fusion Solutions has earned a ranking and is the 112th fastest growing company in America. Rankings were determined by percentage of revenue growth for the years of 2005, 2006 and 2007. The Inc. 500 has been sponsored by Inc. Magazine for twenty-years and is one of the top awards American companies pursue every year.

“I am very pleased that we made the Inc. 500 two years in a row and it is testimony to our strength and ability to provide our clients with reliable service,” said Tahir Hussain, founder and CEO of Fusion Solutions. “At the same time, our sustained growth provides a solid platform for career optimization for each of our employees.”

Fusion Solutions has become a trusted source for highly experienced telecom consultants by a number of top global telecom companies. As these businesses need highly skilled people they are turning to Fusion Solutions to provide telcom talent when and where it is needed.. The Fusion Solutions team is made of people who are all former telecom industry veterans who have extensive experience in telecom technologies, applications, implementations, and recruiting.
